Referred To

Dr. Samuel Reyes, Cardiologist — Barwon Heart & Vascular Centre, 12 Myers Street, Geelong VIC 3220

Reason for Referral

I am referring this patient for cardiology assessment following recent onset of intermittent exertional chest tightness and palpitations over the past three weeks. Patient has a background of hypertension (diagnosed 2019, currently managed on Perindopril 5mg daily) and a family history of ischaemic heart disease (father, MI age 61).

Relevant Findings

- Resting ECG (05/08/2026): sinus rhythm, no acute ST changes noted.
- Blood pressure at review: 148/92 mmHg.
- Lipid panel (01/08/2026): Total cholesterol 6.1 mmol/L, LDL 4.0 mmol/L.
- No prior cardiac investigations on file.

Current Medications

Perindopril 5mg daily, Atorvastatin 20mg nocte, Paracetamol PRN.

Requested Action

Kindly assess and advise on further investigation (e.g. exercise stress test / echocardiogram) and management. Please copy correspondence back to this clinic for the patient's ongoing care record.

Kind regards,

Dr. Priya Anand
